

Virtual Friend

Armin van Buuren

Autumn leaves we treat as litter
People living on a bench
Childhood friends who lost contact
Fallen soldiers in a trench

By the way are you watching?
How the world says goodbye

Autumn leaves we treat as litter
People living on a bench
Childhood friends who lost contact
Fallen soldiers in a trench

By the way are you watching?
How the world says goodbye

Plastic islands in the ocean
Violent storms drop atom bombs
Hidden women walking slowly
Desperate men singing sacred songs

By the way are you watching?
How the world says goodnight

By the way are you watching?
How the world says goodnight

City boy selling countries
Surgeons lifting second skin
Sitting by software windows
Trying to find a virtual friend

By the way are you watching?
How the world says farewell
