## **Virtual Friend**

## **Armin van Buuren**

Autumn leaves we treat as litter People living on a bench Childhood friends who lost contact Fallen soldiers in a trench

By the way are you watching? How the world says goodbye

Autumn leaves we treat as litter People living on a bench Childhood friends who lost contact Fallen soldiers in a trench

By the way are you watching? How the world says goodbye

Plastic islands in the ocean Violent storms drop atom bombs Hidden women walking slowly Desperate men singing sacred songs

By the way are you watching? How the world says goodnight

By the way are you watching? How the world says goodnight

City boy selling countries
Surgeons lifting second skin
Sitting by software windows
Trying to find a virtual friend

By the way are you watching? How the world says farewell
