

Won't Let You Go

Armin van Buuren

In too deep
And overloading
And it's hard to breathe
When you're still hoping

Nothing lasts forever
This is all we get
Now we're holding on together
Hanging by a thread

I won't let you go
So don't look down
I won't let you go
'Till we turn it all around
There's nothing to break my fall
But I won't stop trying
'Cause I still believe in God, in love, in you and I
In you and I
I believe in you and I

I won't let you go
So don't look down
I won't let you go
'Till we turn it all around
There's nothing to break my fall
But I won't stop trying
'Cause I still believe in God, in love, in you and I
In you and I
I believe in you and I
