

I can feel you in the rising tide
Can you feel me by the fire side

From the moonlight
Through the cherry trees
Open the roof and take in the view
'Cuz you're my sweetest dream
Come true

Colour the dusk, deep navy blue
And try to be brave
Cause I'll be right beside you
There's a world so high
Hold out your hands
And you can go anywhere
So reach for the stars
Cause I'll be waiting up there
And you can finally fly
Cause you'll be lighter than air

Colour the dusk, deep navy blue
And try to be brave
Cause I'll be right beside you
There's a world so high
Hold out your hands
And you can go anywhere
So reach for the stars
Cause I'll be waiting up there
And you can finally fly
Cause you'll be lighter than air
