

## Remember to Feel Real

### Armor for Sleep

So here's the truth  
You were right all along  
They were never my friends  
And I was living a lie  
But I won't fall for it next time

You figured me out  
I'm like a leaf in the wind  
I try to find who I am  
But wind up lost in the end  
Sometimes it's hard to know what's real when your not

'Cause you know I change myself  
To impress whoever happens to be next to me  
But I'm sick of trying so hard  
Waste all your time with me  
I know I'm a mess right now  
Don't give up believe  
I'd wait it out for you  
Waste all your time with me  
I know I'm a mess right now  
Don't give up believe  
I'd wait it out for you

Everyday I'm just making my rounds  
Just digging a hole six feet underground  
Sometimes it's hard to know what's real when you're not

'Cause you know I change myself  
To impress whoever happens to be next to me  
But I'm sick of trying so hard  
Waste all your time with me  
I know I'm a mess right now  
Don't give up believe  
I'd wait it out for you  
Waste all your time with me  
I know I'm a mess right now  
Don't give up believe  
I'd wait it out for you

Nothing's here for me  
Nothing's here for me  
But you  
Nothing's here for me  
But you

Waste all your time with me  
I know I'm a mess right now  
Don't give up believe  
I'd wait it out for you  
Waste all your time with me  
I know I'm a mess right now  
Don't give up believe  
I'd wait it out for you

I'd wait it out for you!  
I'd wait it out for you!
