

## Aftermath

Armored Saint

So let it be felt  
Aftermath  
Shades of hell  
I set them free  
But struggle  
Eternally

It's too late now  
To turn the clock around  
Frozen world outside  
Made by foolish pride

Time to mend  
Your life begins  
Breathe for me  
Make me feel  
I'm not alone

Rowen  
Final stunt  
Will the blood shed  
End at once  
Rowen  
Is no doubt  
Life in limbo  
Is our home now

Rowen  
Final stunt  
Will the blood shed  
End at once  
Rowen  
Is no doubt  
Life in limbo  
Is our home
