## For The Sake Of Heaviness

## **Armored Saint**

Grasped by this certain thing Expressing what I feel Doin' it for my belief Knowin' in my heart it's real

Mastermind won't let it stay Givin' it his sentiment You can put your thoughts away Compromise ain't what was meant

Who gave you The right to choose Tell you why I'm here today Never ever gonna lose

Make a believer Out of you Make a believer What will you do

I know that I'm the only one that Needs to prove it to myself I don't need to fix your mind It's already added to my wealth

Make a believer Out of you Make a believer What will you do

What will you do
