Long Before I Die

Armored Saint

You got yours Baby I got mine We just can't seem to make ends meet Don't you realize when jumpin' in the water You're gonna get wet past knee deep Give in Give and take Taken by mistake Sooner or later deceit's gonna hit Lay your cards on the table and draw From now on I call the shots Long before I die Long before I die Give in Give and take Taken by mistake From now on I call the shots Long before I die Long before I die
