

## March Of The Saint

### Armored Saint

You're the youth bangers fight forever more  
Raise your golden hammer bring it down like thor  
Ooh the force is going to bring us victory  
No foe or rival will stop the energy

It's a vital mistake  
To try to brawl with the brave  
The storm just breaks out in rage  
Oh then it's time to release the martyrs on your mind

It's the march of the saint, march of the saint  
March of the saint, march of the saint

Clench your fist a battle's on the way  
Shout the truth metal's here to claim the day  
Hear the crowd's mighty roar  
It verifies assurance that we won another war

It's a vital mistake  
To try to brawl with the brave  
The storm just breaks out in rage  
Oh then it's time to release the martyrs on your mind

It's the march of the saint, march of the saint  
March of the saint, march of the saint  
March of the saint, march of the saint  
March of the saint, march of the saint

It's a vital mistake  
To try to brawl with the brave  
The storm just breaks out in rage  
Oh then it's time to release the martyrs on your mind

March of the saint, march of the saint  
March of the saint, march of the saint  
March of the saint, march of the saint  
March of the saint, march of the saint  
March of the saint
