

Inhale Exhale

Arms Like Yours

Breathe slowly, inhale exhale, a path I've already walked, but
I just can't stop.
It's too familiar, this same routine, as I live day by day, it
slowly eats at me.
My bones and my tongue ache, from my failed attempts to make so
me sense,
Of why I won't let you out of my sight...

Cause' I'll never taste a love that could be as sweet as I had
with you,
So bury that trace of affection for me, and I'll force my feet
to move.

Breathe slowly, inhale exhale, but it's not me you want, will I
ever stop,
Cause' I tried to believe that you would never share this bed w
ith anyone but me,
But now I see, that I can't change you...
My bones and my tongue ache, from my failed attempts to make so
me sense,
But I'm done trying, to make you see that...
I'll never taste a love that could be as sweet as I had with yo
u!
So bury that trace of affection for me, and I'll force my feet
to move!

Bury me tonight (3x)
