## **Inhale Exhale**

## **Arms Like Yours**

Breathe slowly, inhale exhale, a path I've already walked, but I just can't stop. It's too familiar, this same routine, as I live day by day, it slowly eats at me. My bones and my tongue ache, from my failed attempts to make so me sense, Of why I won't let you out of my sight... Cause' I'll never taste a love that could be as sweet as I had with you, So bury that trace of affection for me, and I'll force my feet to move. Breathe slowly, inhale exhale, but it's not me you want, will I ever stop, Cause' I tried to believe that you would never share this bed w ith anyone but me, But now I see, that I can't change you... My bones and my tongue ache, from my failed attempts to make so me sense, But I'm done trying, to make you see that... I'll never taste a love that could be as sweet as I had with yo u! So bury that trace of affection for me, and I'll force my feet to move!

Bury me tonight (3x)
