

# She Only Likes Me For My Body

## Arms Like Yours

And I can see it in your eyes  
You're nervous, you're nervous  
But don't worry baby I've done this a thousand times

And I'll take you to my favorite spot in this whole city  
Lie to you so you feel pretty  
I'll pull your hair, you'll bite your lip  
Have you had enough yet?  
Okay, now watch this

And I know what you want me to do  
Oh I know, oh yes, I know  
And I know that you want me to  
Oh I know, okay lets go

And I can see it in your eyes  
You're nervous, you're nervous  
But don't worry baby I've done this a thousand times  
And I can see it in your eyes  
Is it worth it? Is it worth it?  
Oh baby I've got news  
This is the best for you

And I'll kiss up your neck  
Run my hand down your side  
You'll get a chill up your spine  
You won't forget this night  
You tried to tell me that you didn't want me  
But it looks like you're having a good time

And I can see it in your eyes  
You're nervous, you're nervous  
But don't worry baby I've done this a thousand times  
And I can see it in your eyes  
Is it worth it? Is it worth it?  
Oh baby I've got news  
This is the best for you

It's time for!  
It's time for you to leave  
It's time for you to leave  
It's time for!  
It's time for you to leave  
It's time for you to leave  
It's time for!  
It's time for you to leave  
Please get away from me  
I can't believe that  
This is so embarrassing

And I can see it in your eyes  
You're nervous, you're nervous  
But don't worry baby I've done this a thousand times  
And I can see it in your eyes  
Is it worth it? Is it worth it?  
Oh baby I've got news  
This is the best for you

And I can see it in your eyes  
Please get away from me  
Please get away from me tonight

And I can see it in your eyes  
Please get away from me  
Please get away from me tonight
