## Army of Lovers

Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah

Hey, hey, hey, have you seen my dog today?  
Have you seen my dog come walking  
He was walking down this way?

Hey, hey, hey, have you seen my dog today?  
Have you seen my dog come walking  
He was walking down this way?

I remember leaving him inside my house at nine  
Riding down the railway tracks, arrived at work on time  
Never thought he planned escape, we always got on well  
Now he's left me all alone in memories to dwell

Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah

Hey, hey, hey, have you seen my dog today?  
Have you seen my dog come walking  
He was walking down this way?

Hey, hey, hey, have you seen my dog today?  
Have you seen my dog come walking  
He was walking down this way?

Trained him for a contest where he won the best in show  
Always knew the difference between a friend or foe  
Still he seemed so miserable and left me here all alone  
Sitting here all by myself, I work out on the bone

Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah  
Ukkah chakka ukkah ukkah

Hey, hey, hey, have you seen my dog today?  
Have you seen my dog come walking  
He was walking down this way?

Hey, hey, hey, have you seen my dog today?  
Have you seen my dog come walking  
He was walking down this way?

Hey, hey, hey, have you seen my dog today?  
Have you seen my dog come walking  
He was walking down this way?

And the entire population of the universe says, Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah
