

Signed On My Tattoo

Army of Lovers

It's a wicked game, you're my deadly drama
Even if I conquer outer space you'll return the karma.
Every episode it's another sequel
Since you got me wrapped around your hand, can I be your equal?

Like thief in the night, my partner in crime,
You make me break all my tabus.
You're a Merry-Go-Round, a Sisyphean climb,
Like when you signed your name on, signed on my tattoo.
Déjà vu, déjà vu,
Déjà vu, déjà vu.

Have you read the news?
Did you hear the gossip?
Every page I turn I see your face
For no buy or part see.

Like thief in the night, my partner in crime,
You make me break all my tabus.
You're a Merry-Go-Round, a Sisyphean climb,
Like when you signed your name on, signed on my tattoo.
Déjà vu, déjà vu,
Déjà vu, déjà vu.

Après nous le déluge,
Mon frère, la sœur,
dans tes bras mon refuge.
Nuit sur jour, jour sur nuit
Faites vos jeux, la mentalité est finie.
Le cannibalisme de l'amour entre frère et sœur
Est l'ultime tabou.
Le tatouage absolu,
Votre nom se lit sur ma peau
La grand tounell de la meme.

It's a wicked game, you're my deadly drama,
Even if I conquer outer space you'll return the karma.

Like thief in the night, my partner in crime,
You make me break all my tabus.
You're a Merry-Go-Round, a Sisyphean climb,
Like when you signed your name on, signed on my tattoo.
Déjà vu, déjà vu,
Déjà vu, déjà vu.
