

Sons of Lucy

Army of Lovers

Now we are angry

Drums go bang in the jungleland
Lucy's foot made a mark in sand
Paint the walls in our cave saloon
And draw the hunt like a rock cartoon

We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Walk like homo sapiens
We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Populate the continents

Hey dad I made a flintstone ax
Look mom I styled my hair in wax
Dad knocks mom when he wants to mate
They generate alligator bait

We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Walk like homo sapiens
We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Populate the continents

Oh yeah

Hunt and grunt like a cannibal
Eat your meat in a ritual
A feast to end all the tribal fights
Join in the chant africa unite

We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Walk like homo sapiens
We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Populate the continents

Now we are angry

We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Walk like homo sapiens
We are the sons of lucy oooh
We are the sons of lucy oooh
We are the sons of lucy oooh
Populate the continents
