

## Call for Poseidon

Arrayan Path

Way up in the south to a sea  
Of endless suffering and disease  
Lives the God of water and sea  
Calling of his name... to our knees

OH NEPTUNE HEAR MY CALL  
FROM THE ICY ROCKS OF CRETE  
TO THE ISLANDS LOST IN GREED  
THROUGH THIS WAR  
WE ARE LOST YOU KNOW  
DESPERATE VOICES HEAR THEIR CALL  
TO SURVIVE INTO YOUR SEA  
THEY MUST FALL

(They must fall)

Hail to you Poseidon of Greece  
(Poseidon of Greece)  
You should fight for freedom and peace  
All the Gods will answer to your pleas  
(answer to your pleas)  
In our hear your own ocean breeze

(They must fall)
