Terra Incognita

The House of God  
Would you believe it ?  
Meaning of Life  
Can you perceive it ?  
We question our own Existence

The Work of God  
Or just a Theory ?  
Is it Fact or  
Just a Vague prediction of Thruth ?  
Quarrel goes on forever

Unknown and Regretful  
Unknown and Regretful  
Unknown and Regretful  
In your Mind

You' re so Naive  
You think you know it all  
In this Life  
Nobody knows the half of it  
How can you be so sure ?

Let me hear you Roar  
Let me hear this Roar  
Let me find Ahledetyzah
