

(chorus) Come on down to To our world and Do the la la la (Speech) We are More Long lasting than most Come and go as we please like Casper the ghost Flows so butter some asking for toast Style so clean yet you don ' t see soap Got your head throbbing need a Aspirin dose Are you not yet engrossed ? Not entertained ? We Russel Crows Sick rhymes and yet no time to diagnose Shed coat clear throat entertain folk We Floats boats and Find lost remotes So AD bringing more Hope Gosh I gotta clear my throat Got phlegm gotta cleanse Since the very beginning we been made ends (chorus) Dem wanting to say ey ey ey ey a yah La la la My ears hurt from this nonsense We just trying to stay conscious In a world full of wantness My ears hurt from this nonsense We just trying to stay conscious In a world full of wantness (chorus) I want to get down DJ turn that music up loud Turn it up right now We survived all the trenches Since I graduated from the apprentice See my flow is hard as getting a job is But I make it look easy as getting robbed is I'm a lumber jack I chop tracks with axes I don't pay taxes and I don 't practice My flows attractive , it's close to lawless I spit it so flawless , it's laced with rawness (chorus)
