Miracles

Arrested Development

We used to dream about changing the world with a style that was universal real and commercial heal and immerse you in the wate rs tired of seeing lost black sons and daughters but in 94 we s lipped a notch, no juice over the years couldnOt piss the pot h ip hop went insane but 10 years later back in the game cOmon pu sh up the faders cuz we believe in miracles

I believe in Miracles yeah yeah I believe in you

And Harriet Tubman would tell usD

Don It stop yawl get down, just rock yawl get down

Were made of more than this, don t let em define us, don t let em confine us wellre warriors From the underground railroads we sneaked through swamps to sit VIP in a restaurant Hill Side pro jects get down North Shore projects get down They give us plati num medallions to cover our hearts Keep us far away from the mo st powerful parts of us Cuz if they keep us looking outside the n we won t bother looking inside IDm too old a dude to be scare d of flopping wellre from the old school this is real hip hoppin g And we talk about what we see, won t dumb it down Cuz I ain t around dumb company We smarter than this And we can come harde r than this and do a brag rap on the next song on the disc Cuz right now you know you re all in the midst of miracles!

I believe in Miracles yeah yeah I believe in you

B-boy Filipino□s Asians Latinos you feel me as I kick this stee -lo? Cyphers round the world got a knife around the neck of the world But only demanding respect & girls What a waste of power -hip hop in the most powerful hour Like Babel we□re building ou r tower BUT we got a chance □ while the whole worlds under our trance Who□s gonna use it so the folks can advance Cuz we belie ve in miracles

I believe, I believe in you take me higher

I believe in Miracles yeah yeah I believe in you
