Arrested Development

This is Headliner from Arrested Development, and I come here tonight
To give thanks to the rain, so brothers and sisters please put down your
Umbrellas, you won't be needing those today
Look to the clouds with the most rain coming from it, for without the
Rain there's no me and there's no you
I said a drip-drop, a drip-drop, drip-drop
Viva bum bum bum drip-drop
Let it rain, let it rain, let God's water feed me
The water of life, mentally rinsing me, physically drenching me
Most are frowning upon your arrival
But I need you for survival
And when you fall on my community
I run outside to properly
Greet you
Let it rain, take my pain, I'm glad to meet you
Fill my eyes with a colorful rainbow
Every drop hits me, fills me
With an unmeasurable amount of security
Knowing my God acknowledges me
As if each drop of rain is aimed toward me
My Lord thanks for life thanks for my rain
My Lord thanks for life thanks for my rain

It's raining revolution
It's raining solutions
It's raining revolution
It's raining revolution
It's raining revolution
It's raining revolution
It's raining revolution
It's raining revolution
It's raining revolution

I struttie strut through the ghetto
The rain this time I feel is mental
The goal of this rain I feel is spiritual
Saw through the eyes of the inflicted people
Their eyes are hard as a million tombstones
Marked with the names of the millions of kin thrown
To the dust that gave them their colored skin
Fade to black is the scene they're embalmed in
The rain many nights have witnessed her
Receiving the sperm of a brother into a sister
And blessed that life to guaranteed existence
A conscious baby for a black resistance
I feel the rain enhances the revolution
And reminds us of a spiritual solution
And reminds us of an unnatural supernatural solution

It's raining revolution
It's raining solutions
It's raining revolution
It's raining revolution
It's raining revolution
It's raining revolution
It's raining revolution
It's raining revolution

It's raining revolution

Lost between reality and psychology. 1990's mentality is described
By the honorable truth message which is 'True knowledge is so priceless'
Which is so true
Rain, rain, stay here! Wow
Love that power
Brothers and sisters, haha
Raise your hands up high and let me see the colors of your beautiful skin
Now the ceremony begins
Lord, let that heavenly rains cleanse
Run into your nearest rainbow
To grab, hold, to ride on
Each color, learn it!
The importance of each color oh yeah
Let it rain
Let it rain
Let it rain
Haha
Yes
Oh yeah
