

# Revolution

## Arrested Development

This is Headliner from Arrested Development, and I come here tonight  
To give thanks to the rain, so brothers and sisters please put down your  
Umbrellas, you won't be needing those today  
Look to the clouds with the most rain coming from it, for without the  
Rain there's no me and there's no you  
I said a drip-drop, a drip-drop, drip-drop  
Viva bum bum bum drip-drop  
Let it rain, let it rain, let God's water feed me  
The water of life, mentally rinsing me, physically drenching me  
Most are frowning upon your arrival  
But I need you for survival  
And when you fall on my community  
I run outside to properly  
Greet you  
Let it rain, take my pain, I'm glad to meet you  
Fill my eyes with a colorful rainbow  
Every drop hits me, fills me  
With an unmeasurable amount of security  
Knowing my God acknowledges me  
As if each drop of rain is aimed toward me  
My Lord thanks for life thanks for my rain  
My Lord thanks for life thanks for my rain

It's raining revolution  
It's raining solutions  
It's raining revolution  
It's raining revolution  
It's raining revolution  
It's raining revolution  
It's raining revolution  
It's raining revolution  
It's raining revolution

I struttie strut through the ghetto  
The rain this time I feel is mental  
The goal of this rain I feel is spiritual  
Saw through the eyes of the inflicted people  
Their eyes are hard as a million tombstones  
Marked with the names of the millions of kin thrown  
To the dust that gave them their colored skin  
Fade to black is the scene they're embalmed in  
The rain many nights have witnessed her  
Receiving the sperm of a brother into a sister  
And blessed that life to guaranteed existence  
A conscious baby for a black resistance  
I feel the rain enhances the revolution  
And reminds us of a spiritual solution  
And reminds us of an unnatural supernatural solution

It's raining revolution  
It's raining solutions  
It's raining revolution  
It's raining revolution  
It's raining revolution  
It's raining revolution  
It's raining revolution  
It's raining revolution

It's raining revolution

Lost between reality and psychology. 1990's mentality is described  
By the honorable truth message which is 'True knowledge is so priceless'  
Which is so true  
Rain, rain, stay here! Wow  
Love that power  
Brothers and sisters, haha  
Raise your hands up high and let me see the colors of your beautiful skin  
Now the ceremony begins  
Lord, let that heavenly rains cleanse  
Run into your nearest rainbow  
To grab, hold, to ride on  
Each color, learn it!  
The importance of each color oh yeah  
Let it rain  
Let it rain  
Let it rain  
Haha  
Yes  
Oh yeah
