

Bang bang

Arsenium

Bang Bang do mého srdce
Bang Bang do mé duše
Bang Bang jsi tak úžasná
Ztrácím kontrolu
Bang Bang dostal jsem divokou věc
Pokaždé ty Bang Bang Bang

Oops I fall in love like school-boy
What is going on?
I'm feeling like I'm your toy
First time in my life need somebody day and night

Do you, Do you, Do you really love me
Girl you know I do
So come and show me
Bang it to my heart, you are my lucky boy

Bang Bang to my heart
Bang Bang to my soul
Bang Bang you so hot
I lose control
Bang Bang I become a wild thing
Every time you Bang Bang Bang

Slap me if I'm wrong
Think your love is strong
Kiss me if I'm right
I will stay with you tonight
Tell me what's going on
Is it wrong when love is strong

Do you, Do you, Do you really love me
Girl you know I do
So come and show me
Bang it to my heart, you are my lucky boy

Bang Bang to my heart
Bang Bang to my soul
Bang Bang you so hot
I lose control
Bang Bang I become a wild thing
Every time you Bang Bang Bang

Bang Bang to my heart
Bang Bang to my soul
Bang Bang you so hot
I lose control
Bang Bang I become a wild thing
Every time you Bang Bang Bang

Bang Bang to my heart
Bang Bang to my soul
Bang Bang you so hot
I lose control
Bang Bang I become a wild thing
Every time you Bang Bang Bang

Bang Bang to my heart
Bang Bang to my soul
Bang Bang you so hot
I lose control
Bang Bang I become a wild thing
Every time you Bang Bang Bang

Bang Bang to my heart
Bang Bang to my soul
Bang Bang you so hot
I lose control
Bang Bang I become a wild thing
Every time you Bang Bang Bang
