Now this is what it's like when world's collide Now this is what it's like Now this is what it's like when world's collide Now this is what it's like

What is it really, what's goin' on here? You've got your system for total control Now is there really anybody out there? Now watch us suffer 'cause we can't go

What is it really that is in your head? What little life that you had just died I'm gonna be the one that's takin' over Now this is what it's like when world's collide

Are you ready to go
'Cause I'm ready to go?
What you gonna do baby, baby?
Are you going with me
'Cause I'm going with you?
That's the end of all time

What is it really that motivates you The need to fly or this fear to stop? I'll go along but then you'll realize When we get there, I say 9 of 10 drop

Now who's the light and who is the devil You can't decide so I'll be your guide And one by one they will be hand chosen Now this is what it's like when world's collide

Are you ready to go
'Cause I'm ready to go?
What you gonna do baby, baby?
Are you going with me
'Cause I'm going with you?
That's the end of all time

Now this is what it's like when world's collide Now this is what it's like Now this is what it's like when world's collide Now this is what it's like

What is it really when they're fallin' over? Everything that you thought was denied I'm gonna be the one that's takin' over Now this is what it's like when world's collide

Are you ready to go
'Cause I'm ready to go?
What you gonna do baby, baby?
Are you going with me
'Cause I'm going with you?
That's the end of all time

Are you ready to go

'Cause I'm ready to go?
What you gonna do baby, baby?
Are you going with me
'Cause I'm going with you?
That's the end of all time

Are you ready
'Cause I'm ready?
That's the end of all time
Are you going?
Yes I'm going
That's the end of all time
