Art Brut

18,00 Lira (4x)

Yeah, we've got guns, but they're antiques

They're rusted and they're broken

The Red brigade made us give our bomb back

But we're going to do this bank job and we're going to do our v  
ery best

18,00 Lira (4x)

Enrique's got a head cold again, it's not his fault

He's a brave and valiant leader

He couldn't even get bus passes this time

Just scooters, very fast scooters

18,00 Lira (4x)

Sounds like a lot of money
