

Bad Weekend

Art Brut

Haven't read the NME in so long, don't know what genre we belong x 2
Popular culture, no longer applies to me (4x)
It's tough at the top, the fashionista, text in topshop, text in topshop
Sometimes it's hard to stop, when your heart is set on top of the pops, top of the pops
Haven't read the NME in so long, don't know what genre we belong x 2
Popular culture, no longer applies to me (4x)
It's tough at the top, the fashionista, text in topshop, text in topshop
Sometimes it's hard to stop, when your heart is set on top of the pops, top of the pops
I've saved up so much money to spend, all I can afford is a bad weekend
And there's no reason for staying in, there's nothing on the television
Popular culture, no longer applies to me (4x)
