

## Moving To L.A.

Art Brut

There's not much glam about the English weather  
There's nothing left keeping us together  
Sunshine on a rainy day  
Makes me want to move away  
I think I've got it sorted  
I'm going to get myself deported  
I'm considering a move to LA  
(He's considering a move to LA)  
(3x)

Hang around with Axl Rose  
Buy myself some brand new clothes  
Everything is gonna be just fine  
I hear the murder rate is in decline  
Get me a southern accent  
Maybe grab a piece of action

I'm considering a move to LA  
(He's considering a move to LA)

When I get off the plane  
The first thing I'm gonna do is  
Strip naked to the waist  
And ride my Harley Davidson  
Up and down Sunset street  
I may even get a tattoo  
My problems are never gonna find me  
I'm not sending one letter  
or even a postcard back  
I'm drinking Henessey  
With Morrissey  
On a beach  
Out of reach  
Somewhere very far away
