

I Have a Love

Art Garfunkel

I love him, I'm his,
And everything he is, I am, too.

I love her, we're one,
There's nothing to be done.

I Have A Love
And it's all that I need.
Not a thing I can do (Not a thing I can do).

When love comes so strong,
There is no right or wrong.
Your love is so strong (When love comes so strong,
There is no right or wrong.)
Your love is so strong. (I love him, I'm his.)
Be with her now forever. (And everything he is.)
And love her. (Your love...)
My love...(My life...)

I Have A Love
And there's nothing to be done
Right or wrong.

(I love him, with a love) I Have A Love
And there's nothing to be done,
Right or wrong.

(I love him, with a love) I Have A Love
And there's nothing to be done,
Right or wrong.
