

Take Me Away

Art Garfunkel

Far away when the day is raining,
Far away when the sky is blue,
Anytime at all,
Take Me Away from it all.
Take Me Away.
Long ago, where the Western breezes
Used to blow here into my heart,
I would hear you call,
Take Me Away from it all.
Take Me Away. (Take Me Away.)
Take Me Away from it all.
Take Me Away.
(Love is like a melody we simply can't forget,
A sad and happy memory we never shall regret,
The magical duet.)
Far away when the day is sleeping,
Far away where a starry sky waits for you to call,
Take Me Away from it all.
Take Me Away. (Take Me Away.)
Take Me Away from it all.
Take Me Away. (Take Me Away.)
