

You're A Wonderful One

Art Garfunkel

You are so wonderful
Being near you is all
That I'm living for
You've shown me more kindness
In little ways
Then I've ever known
In all my days

Tell me we'll stay together
Let me love you forever
'Cause you're a wonderful one
You're a wonderful one

In you, there is a rare quality
Your love baby
It means the world to me
For me, you're always concerned
And you ask nothing in return
You're really more than I deserve
From my heart I mean these words
You're a wonderful one
You're a wonderful one

You're really more than I deserve
From my heart I mean these words
You're a wonderful one
You're a wonderful one

Sometimes I'm up
Oh, sometimes I'm down
But your love
You're always around
Words of confidence
You speak to me
Baby, then you place a tender kiss
on my cheek

It makes my burden
A little bit lighter
It makes my life
A little bit brighter
'Cause you're a wonderful one
You're a wonderful one
