

## Breathe Again

### Art of Dying

When I hesitate I know it's just too late to bring you back, but  
t still I need you  
I can't communicate the burden of this weight  
My world is black until I see you

I don't know how, I don't know when, but I can finally breathe  
again  
Life's too short, the day's too long  
In the end I knew it all along  
I knew it all along

Two sides of a knife, story of my life, the pain is sharp a com  
fort bleeds through  
I can't seem to clear my head, I wish that I was dead  
Falling apart cause I still need you

I don't know how, I don't know when, but I can finally breathe  
again  
Life's too short, the day's too long  
In the end I knew it all along  
Like a newborn child, like a raven in the wind  
I can finally breathe again  
I can finally breathe again

When I hesitate I know it's just too late to bring you back, bu  
t still I need you

I don't know how, I don't know when, but I can finally breathe  
again  
Life's too short, the day's too long  
In the end I knew it all along  
Like a newborn child, like a raven in the wind  
I can finally breathe again

I don't know how, I don't know when, but I can finally breathe  
again  
Life's too short, the day's too long  
In the end I knew it all along  
Like a newborn child, like a raven in the wind  
I can finally breathe again, yeah  
I can finally breathe again, yeah  
I can finally breathe again

I don't know how, I don't know when, but I can finally breathe  
again  
Life's too short, the day's too long  
In the end I knew it all along  
I can finally breathe again

I knew it all along  
I can finally breathe again
