Inside It's Raining

Art of Dying

I'm scared to look down
Never been so high
And I can't look up with a closing mind
I'm scared to be touched
I don't like the feel
It's way too close
Way too real

Inside it's raining
It never lets up
I know I'm crazy
Crazy enough to know that I'll find a way to make this all go away

I'm scared to be me
Because I look like you
I don't want to be somebody I never knew
I'm scared to go out
I'm so far in
I hear it's nice
But I've never been

I found mInside It's Raining

I'm scared to look down
Never been so high
And I can't look up with a closing mind
I'm scared to be touched
I don't like the feel
It's way too close
Way too real

Inside it's raining
It never lets up
I know I'm crazy
Crazy enough to know that I'll find a way to make this all go away

I'm scared to be me
Because I look like you
I don't want to be somebody I never knew
I'm scared to go out
I'm so far in
I hear it's nice
But I've never been

I found my only out, so just forget about talking me down
I'll put this fire out and stop this burning

Inside it's raining
y only out, so just forget about talking me down
I'll put this fire out and stop this burning

Inside it's raining
