

## Rise Up

## Art of Dying

Cut my skin up  
'Cause you know that I bled  
Take what you want  
Till you're done with me  
I won't go that easily  
I won't go without a fight

Rise up  
Take my life back  
Rise up  
'Cause I know where I wanna be  
I'm done being victimized  
Sick of being paralyzed  
Rise up  
Cut away the past  
Take my life back  
Rise up

Bloodless, no mess  
Did you get what you need?  
Try to wipe me out  
Like a disease  
I won't go that quietly  
I won't go without a fight

Rise up  
Take my life back  
Rise up  
'Cause I know where I wanna be  
I'm done being victimized  
Sick of being paralyzed  
Rise up  
Cut away the past  
Take my life back

Take it back!  
Take it back!

Rise up, take my life back  
Rise up 'cause I know where I wanna be

Down comes the demon  
Here on my neck  
Face in the ashes  
Kneeling in the pit

Rise up  
Rise up  
Take my life back  
I'm done being victimized  
Sick of being paralyzed  
Rise up  
Cut away the past  
Take my life back  
Rise up  
Take it back!
