

Rise Up

Art of Dying

Cut my skin up
'Cause you know that I bled
Take what you want
Till you're done with me
I won't go that easily
I won't go without a fight

Rise up
Take my life back
Rise up
'Cause I know where I wanna be
I'm done being victimized
Sick of being paralyzed
Rise up
Cut away the past
Take my life back
Rise up

Bloodless, no mess
Did you get what you need?
Try to wipe me out
Like a disease
I won't go that quietly
I won't go without a fight

Rise up
Take my life back
Rise up
'Cause I know where I wanna be
I'm done being victimized
Sick of being paralyzed
Rise up
Cut away the past
Take my life back

Take it back!
Take it back!

Rise up, take my life back
Rise up 'cause I know where I wanna be

Down comes the demon
Here on my neck
Face in the ashes
Kneeling in the pit

Rise up
Rise up
Take my life back
I'm done being victimized
Sick of being paralyzed
Rise up
Cut away the past
Take my life back
Rise up
Take it back!
