

# Take Me In Your Arms

Artension

All that I Planned And All That I Dreamed  
Facing The End, When Everything Seemed  
Lost And Gone Away  
Crossed Sacred Pathways  
And Still I Need You so Bad

I Would Lay It Down, Let It Down  
I Would Lay Down My Life

Take Me As Your Servant  
Keep Me Safe From Harm  
I'll be Faithful  
If You Just  
Take Me In Your Arms

Somewhere In Space There Is A Place  
Where Everything's Real, Emotions To Feel

I Would Lay It Down, Let It Down  
I Would Lay Down My Life

Take Me As Your Servant  
Keep Me Safe From Harm  
I'll be Faithful  
If You Just  
Take Me In Your Arms
