

# Thrasher

## Artillery

Raise your hands  
Thrasher!  
Bang your head  
Thrasher!  
Scream it out  
Thrasher!

Are you ready to kill  
Can you take this mutha down  
Are you in for the thrill  
We're gonna demolitious this town

Can you reach for the sky  
And sing this song out loud  
Are you prepared to die  
And go out with a shout

Have you sent it all  
Do you feel you can stand the heat  
Can you take the fall  
Or do you not accept defeat

It goes round and round  
Get into the pit  
It goes round and round  
Get into the shit
