

# Different People

Artist vs. Poet

My belief is in pieces  
My sheets have grown cold  
And I wish you could feel this, but you'll never know  
'Cause you're perfectly perfect, and you're never alone  
And you'll be blind till you find what I found

In you, in me, cause we're two different people  
I'm from Texas, you're from California  
And I should've warned ya  
And we aren't the same at all  
You're strong, I like to fall for you  
'Cause we are two different people  
But I learn from my mistakes

And now, I know what I've been waiting for  
Now, I know what I've been waiting for  
And now, I know what I've been waiting for  
It's for another love that's nothing like yours  
'Cause we're two different people

I wrote a letter on Monday to get some things off my chest  
And it's full of these bitter words laying here on my desk  
And it's haunting my bedroom, but I won't send it yet  
'Cause I'm afraid that you'll find what I found

In you, in me, cause we're two different people  
You're a Libra, I'm a Gemini  
I'm honest, you like to lie  
And we aren't the same you see  
I could tell you weren't in love with me  
'Cause you and me are two different people  
And I learn from my mistakes

And now, I know what I've been waiting for  
Now, I know what I've been waiting for  
And now, I know what I've been waiting for  
It's for another love that's nothing like yours  
'Cause we're two different people

Yeah ohh

And I've gotta let you go  
Oh, and I've gotta let you go  
'cause you're making me crazy  
And I'm serious baby  
I've gotta let you go  
And I've gotta let you go

My belief is in pieces  
My sheets have grown cold  
You're the furthest from anything that'll ever call home

And now, I know what I've been waiting for  
Now, I know what I've been waiting for  
Now, I know what I've been waiting for  
It's for another love that's nothing like yours  
'Cause we're two different people
