

# Hold On

## Artist vs. Poet

You're addicted to your own face  
So you don't see the look on mine  
I've been trying hard to displace  
All the things you used to hide  
Don't wanna hear about your mistakes  
Don't want you taking up my time  
But you just leave me with a bad taste  
And now my door is open wide

But you just hold on  
No matter what I say I've waited so long  
And you won't go  
I know it's so wrong  
The more I give you take  
So take all your favourites away  
Find a new place and hold on

And I've been thinking about your request  
And all the baggage you provide  
You should have asked me when you're undressed  
I'd be more likely to comply  
You only call me when you're desperate  
It's always something you require  
So just add me to your collection  
'Cause I'm so tired

But you just just hold on,  
No matter what I say I've waited so long  
And you won't go  
I know it's so wrong  
The more I give you take  
So take all your favourites away  
Find a new place and hold on

Oh-oh-oh-oh-oh-oh-oh-oh

Don't wanna hear about your mistakes  
Don't want you taking up my time

Hold on  
No matter what I say I've waited so long  
And you won't go  
I know it's so wrong  
The more I give you take  
So take all your favourites away  
Find a new place and hold on

No matter what I say I've waited so long  
And you won't go  
I know it's so wrong  
The more I give you take  
So take all your favourites away  
Find a new place and hold on

So hold on  
So hold on  
So hold on
