

I wasn't enough for you
To abandon everything.
I've realized that the
Situation was out of control.
Without a shadow of a doubt
The decision was to leave.
I'm better off knowing
That it wouldn't last.
If I seem fine it's cause I am.
Whoa.
This was the first time,
The first time I felt sure.
Whoa.
This is the last time,
The last time you'll hear from me.
Step back and take a deep breath in
Cause you know that you're better off.
These circumstances allowed me
To call it quits then we'll call it even.
I'm better off knowing
That it wouldn't last.
If I seem fine it's cause I am.
Whoa.
This was the first time,
The first time I felt sure.
Whoa.
This is the last time,
The last time you'll hear from me.
I'm better off knowing
That it wouldn't last
(Without saying a word
I can't change the fact
That it's over)
There's no point in reflecting on the past
If I seem fine it's cause I am.
Whoa.
This was the first time,
The first time I felt sure.
Whoa.
This is the last time,
The last time you'll hear from me.
Whoa.
This was the first time,
The first time I felt sure.
Whoa.
This is the last time,
The last time you'll hear from me.
