

# Love To Hate Me

Artist vs. Poet

You know you love, love, love to hate me!

Du du du du dudu  
Du du du du dududu  
Du du du du dudududu dudududu.

Hey, wake up, get up, get out of bed.  
I folded your clothes this time,  
Instead of leaving them in a mess.  
I'm sorry I didn't hold the door,  
I though chivalry was dead.  
My bad but I ain't picking up the tab again tonight,  
Cause I got better ways to spend my time.

Cause I'm a dick, I'm inconsistent.  
I never call. I never listen.  
And I'm okay with all the hate you throw my way.  
Cause life's a bitch, and I don't love ya.  
Who told you that?  
You'll find another and be just fine.  
Cause you know you love, love, love to hate me.

Du du du du dudu  
(Cause I know you love, love, love to hate me)  
Du du du du dududu

Woah, hold up, slow down, your freaking me out.  
You're blowing up my phone all night,  
Now this I can do without.  
And I'm sorry, I thought you were DTF,  
But GTFO now, like right now.  
Cause I ain't dealing with this shit again tonight.  
Cause I've got better ways to waste my time.

(Your messing with my head)  
(Messing with my head)  
All the time.

(Wait, I wanna do it again,  
I wanna do it again.  
One more time.)

One more time!

Fine...  
Cause I know you love, love, love to hate me.

Du du du du dudu  
Du du du du dududu  
Du du du du dudududu dudududu.
