

Wasn't Worth It

Artist vs. Poet

I'm wasting all my time
Just thinking of every single line
To tell you that I am doing fine,
But that don't mean shit.

And I read the warning signs
As your hands were feeling up my thighs,
I flashed back to every time you lied
And I'm over it.

You're the reason I don't believe.

And I, am trying to decide
If you're even worth my time
But I'm haunted by the best you've shown me
And I, am feeling like you might
Just fuck it up and I
I won't take the chance with you again, with you again.

Was it worth it when you threw out our plans
To take over the world, go hand in hand,
Just so you could have a one night stand?
Well ain't that a bitch?

(Girl's such a bitch man)

And I kind of feel this is the part
Where I have to show you all my scars
You made with your ever changing heart
That you'll never fix.

You're the reason I don't believe.

And I, am trying to decide
If you're even worth my time
But I'm haunted by the best you've shown me
And I, am feeling like you might
Just fuck it up and I,
I won't take the chance with you again, with you again

No I don't need you!
I'm better off on my own.
No I don't need you,
You or anyone
Anyone

And I, am trying to decide
If you're even worth my time
But I'm haunted by the best you've shown me
And I, am feeling like you might
Just fuck it up and I,
I won't take the chance with you again, with you again.

And I, am feeling like it's time
To let you go
Cause I'm still haunted by you.
