

# My Fall

Arven

I feel weak  
Broken by the one who  
Promised me to protect  
Me and hold me tight  
Until our last breath

I'm freezing cold  
Left without your warmth I've  
Given you all my trust  
All I had to give  
Nothing left untouched

Please put your strong arms around me  
Hear my desperate screams  
I need you now  
From the bottom of my heart

Put your strong arms around me  
Hear my desperate screams  
I need you now  
From the bottom of my heart

Time has passed  
Images have faded  
Like a trace in the sand  
But I realized  
Time can heal no wounds

You're still here  
An empty space beside me  
Where you once used to be  
Where you held my hand  
As I learned to fly

Please put your strong arms around me  
Hear my desperate screams  
I need you now  
From the bottom of my heart

Put your strong arms around me  
Hear my desperate screams  
I need you now  
From the bottom of my heart

With my last  
Strength I hold on  
To your hand, I must  
Can't let you go  
And I fall  
Deep down I fall...

Please put your strong arms around me  
Hear my desperate screams  
I need you now  
From the bottom of my heart

Put your strong arms around me

Please don't leave me behind  
I need you now  
From the bottom of my heart
