

## In the Emptiness

As Autumn Calls

I dreamt of you again  
Arm in arm we walked  
We laughed and we smiled  
Oh what a beautiful girl  
I held you close to me  
I dared not let you go

Time was a forgotten word  
All that mattered was us  
I gazed into your eyes  
My whole world died  
Awakened to an empty room  
A prison of solitude

In the emptiness I bask in sorrow...
