

Electric Eye

As I Lay Dying

Up here in space
I'm looking down on you.
My lasers trace
Everything you do.
You think you've private lives
Think nothing of the kind.
There is no true escape

I'm watching all the time.
I'm made of metal
My circuits gleam.
I am perpetual
I keep the country clean.

I'm elected electric spy
I protected electric eye.
Always in focus
You can't feel my stare.
I zoom into you
You don't know I'm there.
I take a pride in probing all your secret moves
My tearless retina takes pictures that can prove.

Electric eye, in the sky
Feel my stare, always there
'S nothing you can do about it.
Develop and expose
I feed upon your every thought
And so my power grows.
Protected. Detective.
Electric eye.
