

## Forced to Die

## As I Lay Dying

Exhausted beyond repair  
Stripped of all I had  
Forced to die inside  
Now I breathe a renewed Life  
I is now I see without my eyes  
If this is what it takes  
To bring me to my knees  
Then feed me pain until  
I realize I am but a slave  
Remind me of my need for You  
Remind me of who I am
