

From Shapeless to Breakable

As I Lay Dying

If I have been kept alive for one reason,
It's to declare that apart from you I can do nothing
Though discouraged by my failure
I remember who I used to be
Like a murderer transformed into a pretty thief
I have so far, so far left to go

From shapeless to breakable I have involved

My transgressions are evident to all who know me
Like porcelain carried through a Downtown street
At any moment I might break
From shapeless to breakable I have involved

I could say a thousand more apologies
But to prove that I have truly changed
Only time will tell.

From shapeless to breakable I have involved
