

Bibanke

Asa

I wake up, I see you as you leave
I feel it, I see it as you leave
When we kiss I want deep
But you're far away

Bim ba n ke bo ban shun fi mi si le
Bim ba n ke bo jo ba n ro fi mi si le

He use to be my every thing
Treated me like I was a queen
What spell did you cast on me?
Or is it the make believe

You say girl never be afraid
Of ever, ever loving me
Those words I hung on too
Oh God, I was a fool

You became my bad habit keeping up appearances
So you could notice
Even when you suddenly picked your things and left the keys
That's crazy

Bim ba n ke bo mi ban shun fi mi si le
Bim ba n ke bo jo ba n ro fi mi si le
Bi ba n ke o ko kun basia fi mi sile
Bim ba n ke o, ko kun ba si a, ko kun ba si a

Mo ti foro mi fo lu wa ko sho, ko sho
Mo ti foro mi fo lu wa ko sho, ko sho

Iwo, Iwo nikan shosho
Iwo, Iwo nikan shosho
Iwo, Iwo nikan shosho

Iwo, Iwo nikan shosho
Iwo, Iwo nikan shosho
Iwo, Iwo nikan shosho

Iwo nikan shosho
Iwo nikan shosho
Iwo nikan shosho

Oh, when I'm crying, when I'm dying
Just leave me alone
I can cry a river or a waterfall
Just leave me alone, leave me alone
Moti f'oro mi f'oluwa o
