

Ok Ok

Asa

Just went life is getting better  
You face cold stormy weather  
Just know it won't last for ever  
You'll see  
They say I should love with all my heart,  
But the take it and tear it all apart  
And now I don't know what I should believe

OK OK my life is moving but demons are fighting  
OK OK tears are dry now but demons are fighting

OK OK aaahha ahha  
OK

I've had to fight so many battles  
The end doesn't really matter  
Cause I know it won't last forever  
I know howw  
I feel Pain when they try to bring me down  
But as long as this world is turning round  
I know it won't last forever I know

OK OK my life is moving but demons are fighting  
OK OK tears are dry now but demons are fighting

OK OK aaa...

OK OK my life is moving but demons are fighting  
OK OK tears are dry now but demons are fighting

OK OK aaa...

Is OK

Oo keeps going on  
And all the people moving on  
It's all right  
All right OK...
