

Bang Bang

Asaf Avidan

I love you like the roots in the sand
I love you like god loves his plan
I love you like death love a man
I love you like a gun in my hand
Bang Bang Bang I'm back again

I love you like scalpel loves flesh
I love you like blood that is fresh
I love you like a jew on the run
I love you like my hand on a gun
Bang Bang Bang I'm back again

Ooh Ooh I can't think about anything but you
Ooh Ooh that's how I love. Love. Love you

I love you like chisel and stone
I love you like needle and bone
I love you like a god loves his son
I love you like my hand on a gun
Bang Bang Bang I'm back again
