

# Let's Just Call It Fate

Asaf Avidan

Tears are clouding up a sunny day  
And I wish it'd turn up any other way  
But I don't think that you'd care  
If I stepped out of your hair  
And you'd find me anywhere - but here

I wish it wasn't so  
I'll say it again - I wish it wasn't so  
But I don't think that you'd mind  
If I left this room behind  
And I'd step outside to find - some other place

Let's say that it's OK, and just leave it at that

Things are different than they seem  
Everybody's looking from the outside, but we're both stuck with  
in  
And I'd wish that you would say  
That you wanted me to stay  
And we'll find some other way but this

Let's say that it's OK, and just leave it at that

Maybe I could wait  
But I think that it's too late  
So let's just call it Fate - from here
