

# Love It or Leave It

Asaf Avidan

Long are the days  
When you're turning away  
From the reasons you strung  
Long is the way  
When you're aching to say  
But your teeth bite your tongue

Loud is the wind  
In your ears as you spin  
As you look for the sun  
Loud are the skies  
As you thunder your cries  
When your prayers are sung

Hard is the floor  
As the waves pound the shore  
Of your wounds  
Roll up your sleeve  
It's hard to believe  
But it's you

Love it or leave it (4x)  
You got to believe it

(2x)

My Oh My! It hurts sometimes  
My Oh My! It hurts sometimes  
I think I'm running out of time  
Before I'm gonna lose my mind

Slow is the night  
When you reach for the light  
But the Dark lingers on  
Slow is the bite  
Of the words that you write  
When it's finally dawn

How can you swim  
When the waters are streaming  
In you  
Roll up your sleeve  
Now love it or leave it  
It's you

Love it or leave it (4x)  
You got to believe it

(4x)

My Oh My! It hurts sometimes  
Oh My Oh My! It hurts sometimes  
I think I'm running out of time  
Before I'm gonna lose my mind
